Customer Guidance & Safety

The Pure Ground team would like to ask for your help in keeping our environment safe for all of us during the coronavirus. Please follow this simple guidance while in the building.

- **Do not enter the building if you, or anyone you have been in close contact with, have any of the symptoms of coronavirus**
- We are a **takeaway only service** at the moment with a one-way system through the café
- Please maintain social distancing and follow the markings on the floor
- Only one person (or family group) at the counter please
- We've popped menus up along the way to help you make your decision (obviously, we recommend Coffee and Cake!)
- **Payment with card only, preferably contactless**
- Please place your order with the first staff member, then move along to collect your items from near the coffee machine
- We will provide you with napkins, sugars, stirrers and straws where needed. (We ask that you dispose of your rubbish carefully)
- We cannot accept reusable cups at this time. (Ours are compostable though)
- Unfortunately, we cannot redeem vouchers or loyalty cards at this time
- Anyone not adhering to social distancing or this guidance will be asked to leave the building
- We hope to keep our high standards and ask that you kindly bear with us while we adjust to this new style of service
- Your assistance and custom are gratefully received and we'd like to thank you for supporting your local business at this time.

Many thanks, The Pure Ground Team
